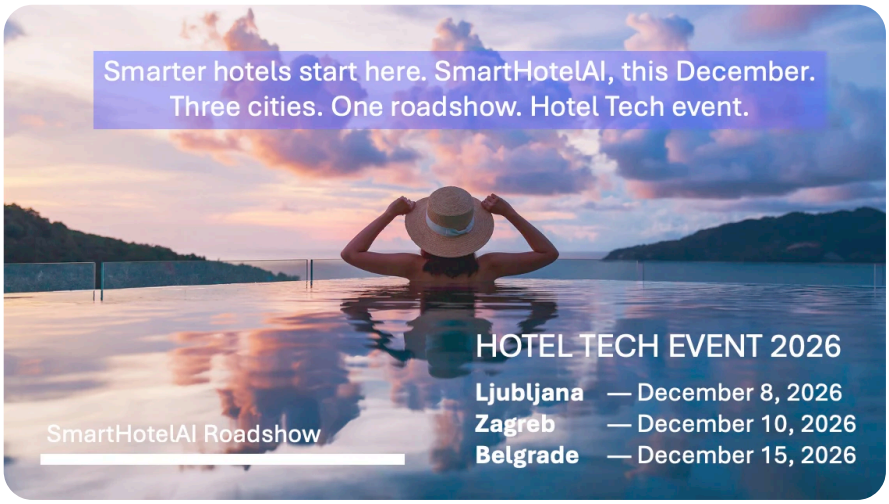
SMARTHOTELAI ROADSHOW · DECEMBER 2026

Hotel Tech Event 2026: Three Cities. Smarter Hotels.

Matej Cvikl • September 30, 2026 • Free · limited places



This December, SmartHotelAI brings the Hotel Tech Event to three cities, and you are invited. It is an afternoon built for independent hoteliers: practical ways to run a smarter, more profitable property, explained by the partners who build and support the technology, with time to talk it through with peers.

Participation is free, but places are limited. Pick the city closest to you and save your seat.

Choose your city

TUESDAY
Ljubljana
December 8, 2026
CUBO Golf Smlednik, Ljubljana

THURSDAY
Zagreb
December 10, 2026
Hilton Garden Inn Zagreb

TUESDAY
Belgrade
December 15, 2026
Zijin Hotel Belgrade

Agenda same at every venue

- 12:30 Welcome coffee
- 13:00 – 16:00 Partner presentations on the latest hotel technology trends and solutions
- 16:00 – 17:00 Networking

Why come

- See practical tools for running a smarter, more profitable independent hotel
- Hear partners explain how PMS, payments, guest messaging, rooms and pricing connect
- Ask your own questions and compare notes with hoteliers from the region
- One afternoon, close to home, and free to attend

What you will hear

Matej Cvikl	**A connected PMS with integrated payments and AI-driven staff onboarding**
Zlatko Štefan	**Beyond Distribution: Revenue Gains from Guest Engagement**
Matic Sušnik	**Smart rooms for guest comfort and energy efficiency**
Primož Zupan	**Hospitality starts before Hello: Rethinking technology in the Guest Journey**
Ivan Petrović	**CRS and RMS for smarter pricing**
Sergio Foti	**Market trends, guest behaviour and revenue strategy**
Damir Knežević	**technology platform that connects experience providers, accommodation providers and guests**
